EDUCATION

Guam Community College, Mangilao, GU — *Information Technology*

GRADUATED MAY 2025

Major GPA: 3.0

Relevant Courses: IT Essentials | Fiber Optics Installation & Principles of Voice and Data Cabling | Computer Networking I-III | Network Security+ | Cybersecurity Operations

PROJECTS

Building Computers & Troubleshooting

Built and assisted in building computers over a span of 3 years.

Diagnosed and resolved hardware and software issues, including driver issues and OS errors.

Fiber Splicing & Category Cabling (Courses)

Gained hands-on experience in fiber splicing and cabling as part of a course.

Cybersecurity Web Vulnerability

Nikto - Identified and analyzed vulnerabilities such as outdated software, misconfigurations, and security flaws through automated web server scans.

Nmap - Performed network discovery and vulnerability scanning, mapped open ports, and detected potential attack for targeted systems.

Spiderfoot - Utilized OSINT tools to gather detailed information about domains, IP addresses, and potential risks.

Personal Website

Personal Card - Created using simple HTML5/CSS3 as a landing page.

SKILLS

Technical Skills - Wireshark, Sguil, Nikto, Nmap, Spiderfoot, Metasploit, Microsoft Windows / 365, macOS, Linux, Python (Taking online courses), HTML5/CSS3 (Taking online courses)

Soft Skills - Teamwork, Problem Solving, Communication, Adaptability, Leadership

LANGUAGES

English (Fluent) Tagalog (Conversational)

HOBBIES

Outside of IT, I enjoy photography, videography, watching sports, making videos, working out and cooking.
